

Dear Corporation:

Why should you consider TRAQ 3D's New plan for Corporate Wellness? Employees who are health-minded take less sick days and are more productive on the job. They look their best and have more confidence which reflects well on your business. TRAQ 3D invites corporations to help employees shrink their "bottom" lines while growing your company's with the **TRAQ 3D Corporate Challenge**.

Personal Trainers will test employee's abilities and endurance with stimulating and intriguing full body simulation equipment found only at TRAQ 3D. Compete with associates to achieve the high scores within your company. Join forces with your comrades to rival neighboring corporations with your cumulative scores. **Your victories will be recognized on our glory wall and our website.** Look for our up and coming "TRAQ Age". TRAQ 3D will challenge corporations to discover their ideal "TRAQ Age" based on formulas derived from TRAQ scores and measurement capabilities.

TRAQ 3D's Corporate Fitness and Weight Loss Plans make it possible to help your employees look, feel and most importantly perform at their greatest potential. TRAQ 3D offers a fun and provocative challenge for your corporation. **Will you accept?**
